Our Growi

Dedicated in 1926, added to in 1939 and again in 1952, Shawnee is still growing in 1956. This is progress, unlimited progress. In the following pages are details in picture form.

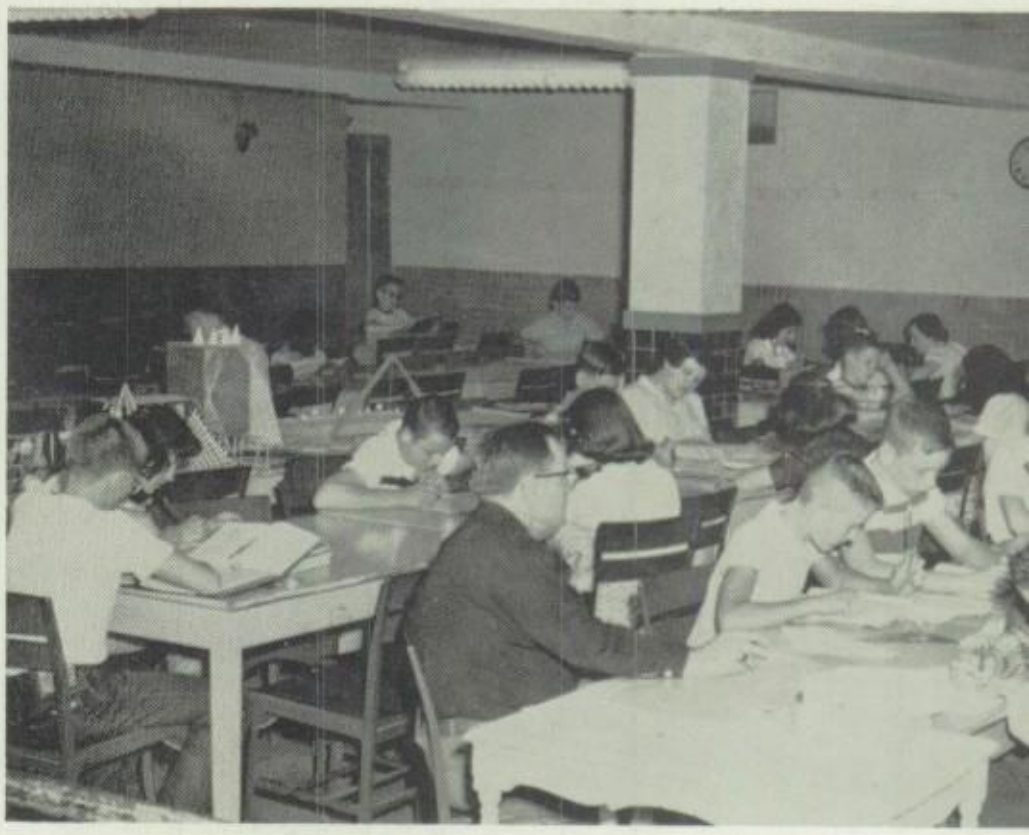
Fashion Changes as Years Pass

The way school pupils dressed way back when, in contrast to the way they dress today is depicted here.

Improvement

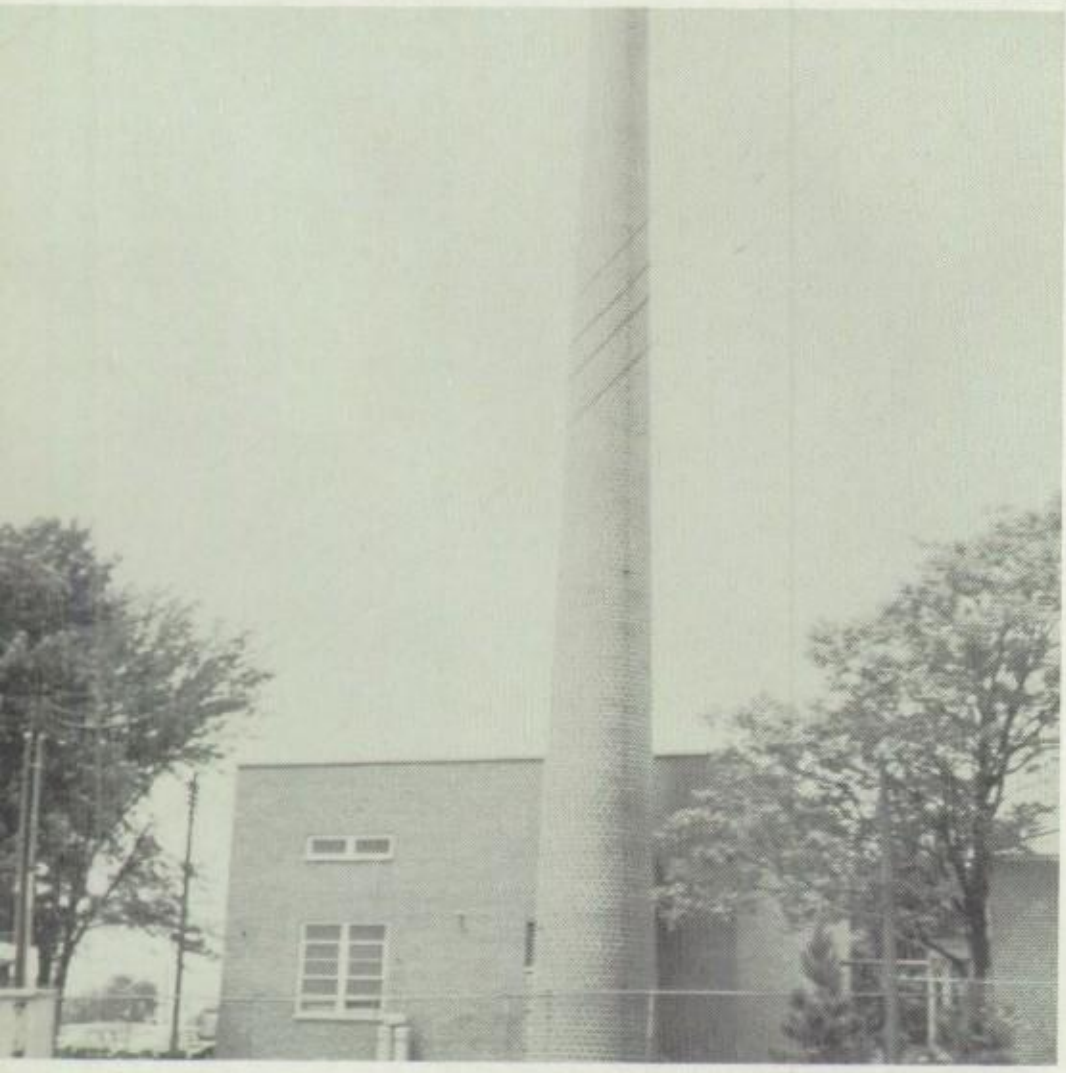


SNACK BAR

Shawnee students are fortunate to have a very fine snack bar.

OVERFLOW STUDY HALL

Due to the shortage of classrooms, an overflow study hall must be held in the cafeteria.



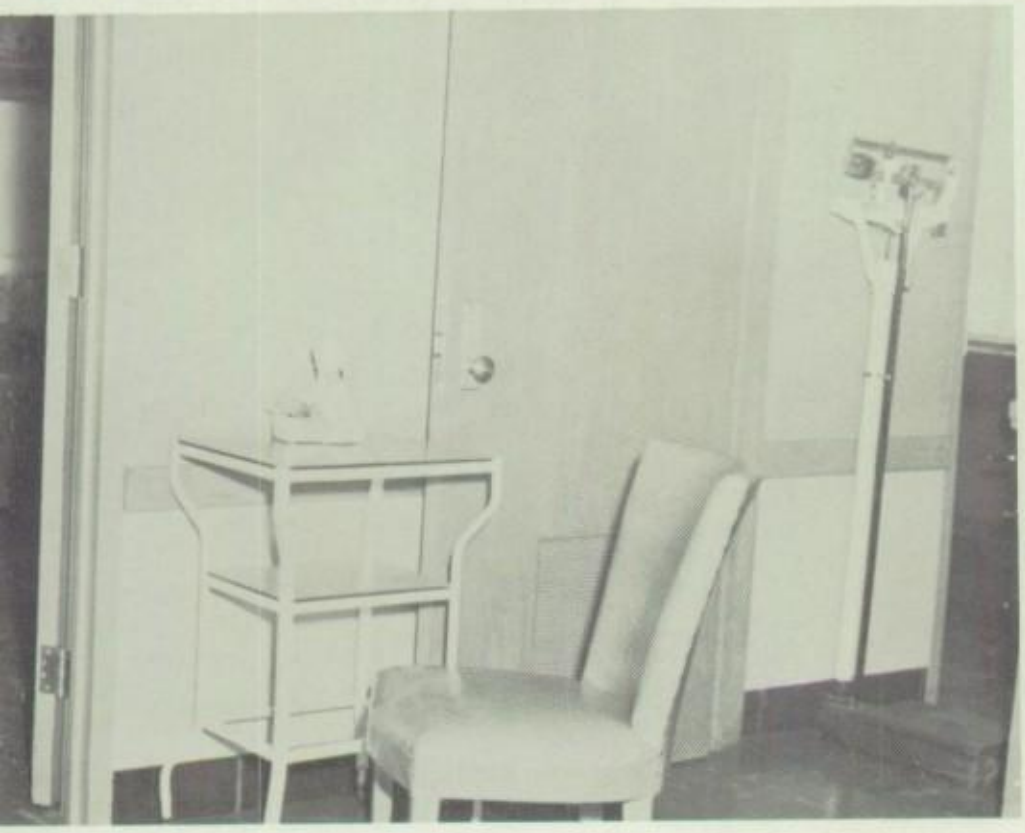
BOILER ROOM

A new boiler room, which serves all the buildings, was constructed last year.

NEW GARAGE

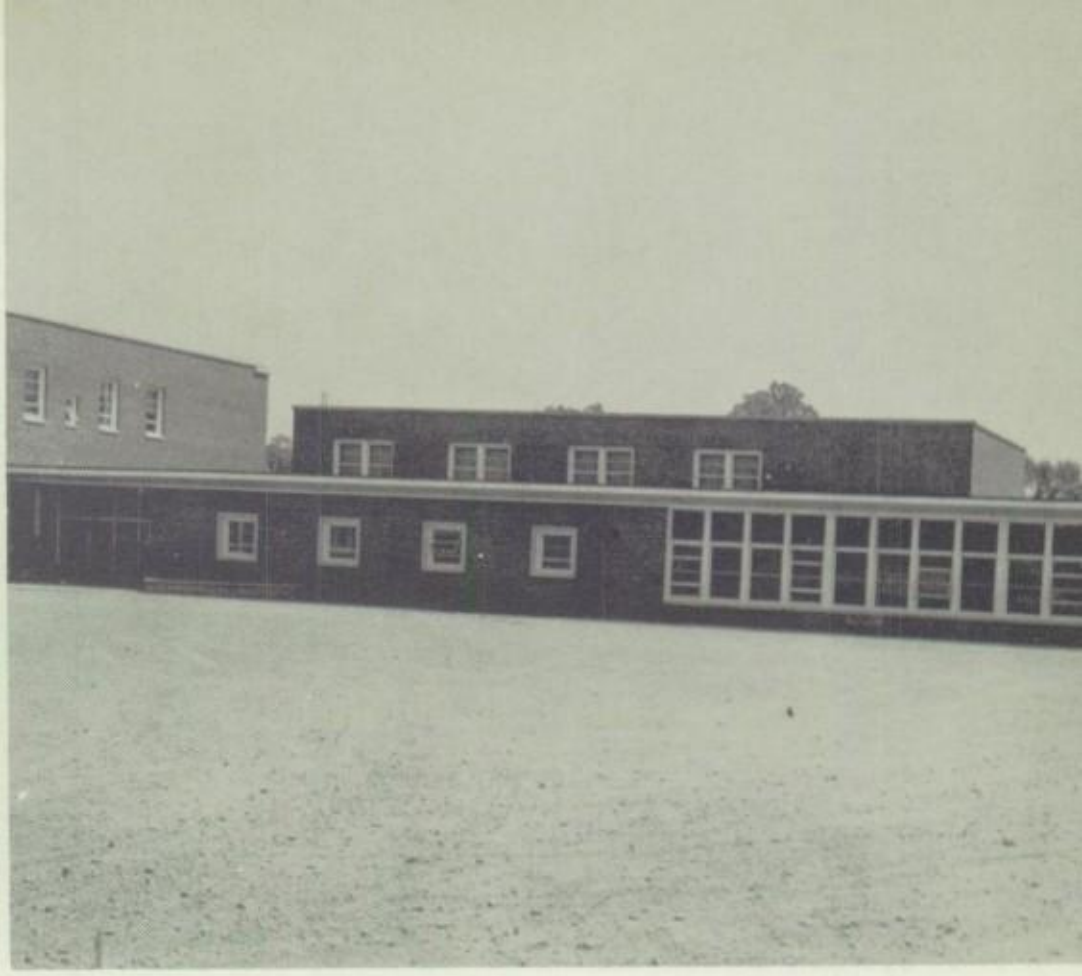
As more buses were added to take care of the enrollment, more space was needed to house them. A large addition was built to the garage.

Have Been Made



CLINIC

Shawnee takes great pride in its well-equipped clinic.



MULTI-PURPOSE ROOM

This room, which includes the elementary cafeteria, is a room much in use, not only by the school, but by the community.

PART OF THE PRESENT FLEET OF BUSES

Due to the large increase in students, twenty-one buses are now used, some of which are still overcrowded. Perry provides three more buses for the use of high school students coming from this township.

OUR FIRST FLEET OF BUSES

Seven school buses, the pride and joy of Shawnee, provided the transportation needed in 1926. The buses were sold by the Garford Truck Company.

There Has Been

BEGINNING FACULTY

Consisting of eight members in 1926, our faculty has very definitely increased. The ninth picture is that of the office girl. In 1926 our principal, Mr. Pugh, taught a full schedule. Mr. Lappin also taught some classes. It was these nine people, though, who started our school on its ever increasing progressive trend.

PAST COACHES

Our coaches were Mr. Pugh, who coached football and baseball, and Mr. Knecht, who coached basketball. At that time the girls were very active in interscholastic sports, consequently Shawnee had two coaches for girls, Mrs. Waltz and Miss Briner.

PRESENT MUSIC TEACHERS

Whereas in 1926 one music teacher, Miss Julia Stanley, handled the entire musical program of the school, we now need three teachers for the junior and senior high school. Mrs. Janet Myers and Mr. Harold Beckett teach vocal music, while Mr. Frederick Mills teaches instrumental.

Growth in Teaching Personnel

PRESENT COACHES

Our expanded athletic program now requires nine coaches, two of which are not in the picture. When the school began, this work was easily handled by four.

PRESENT FACULTY

In contrast to the beginning faculty of eight members, there are now over thirty. This is an informal gathering in Mr. Lappin's office.

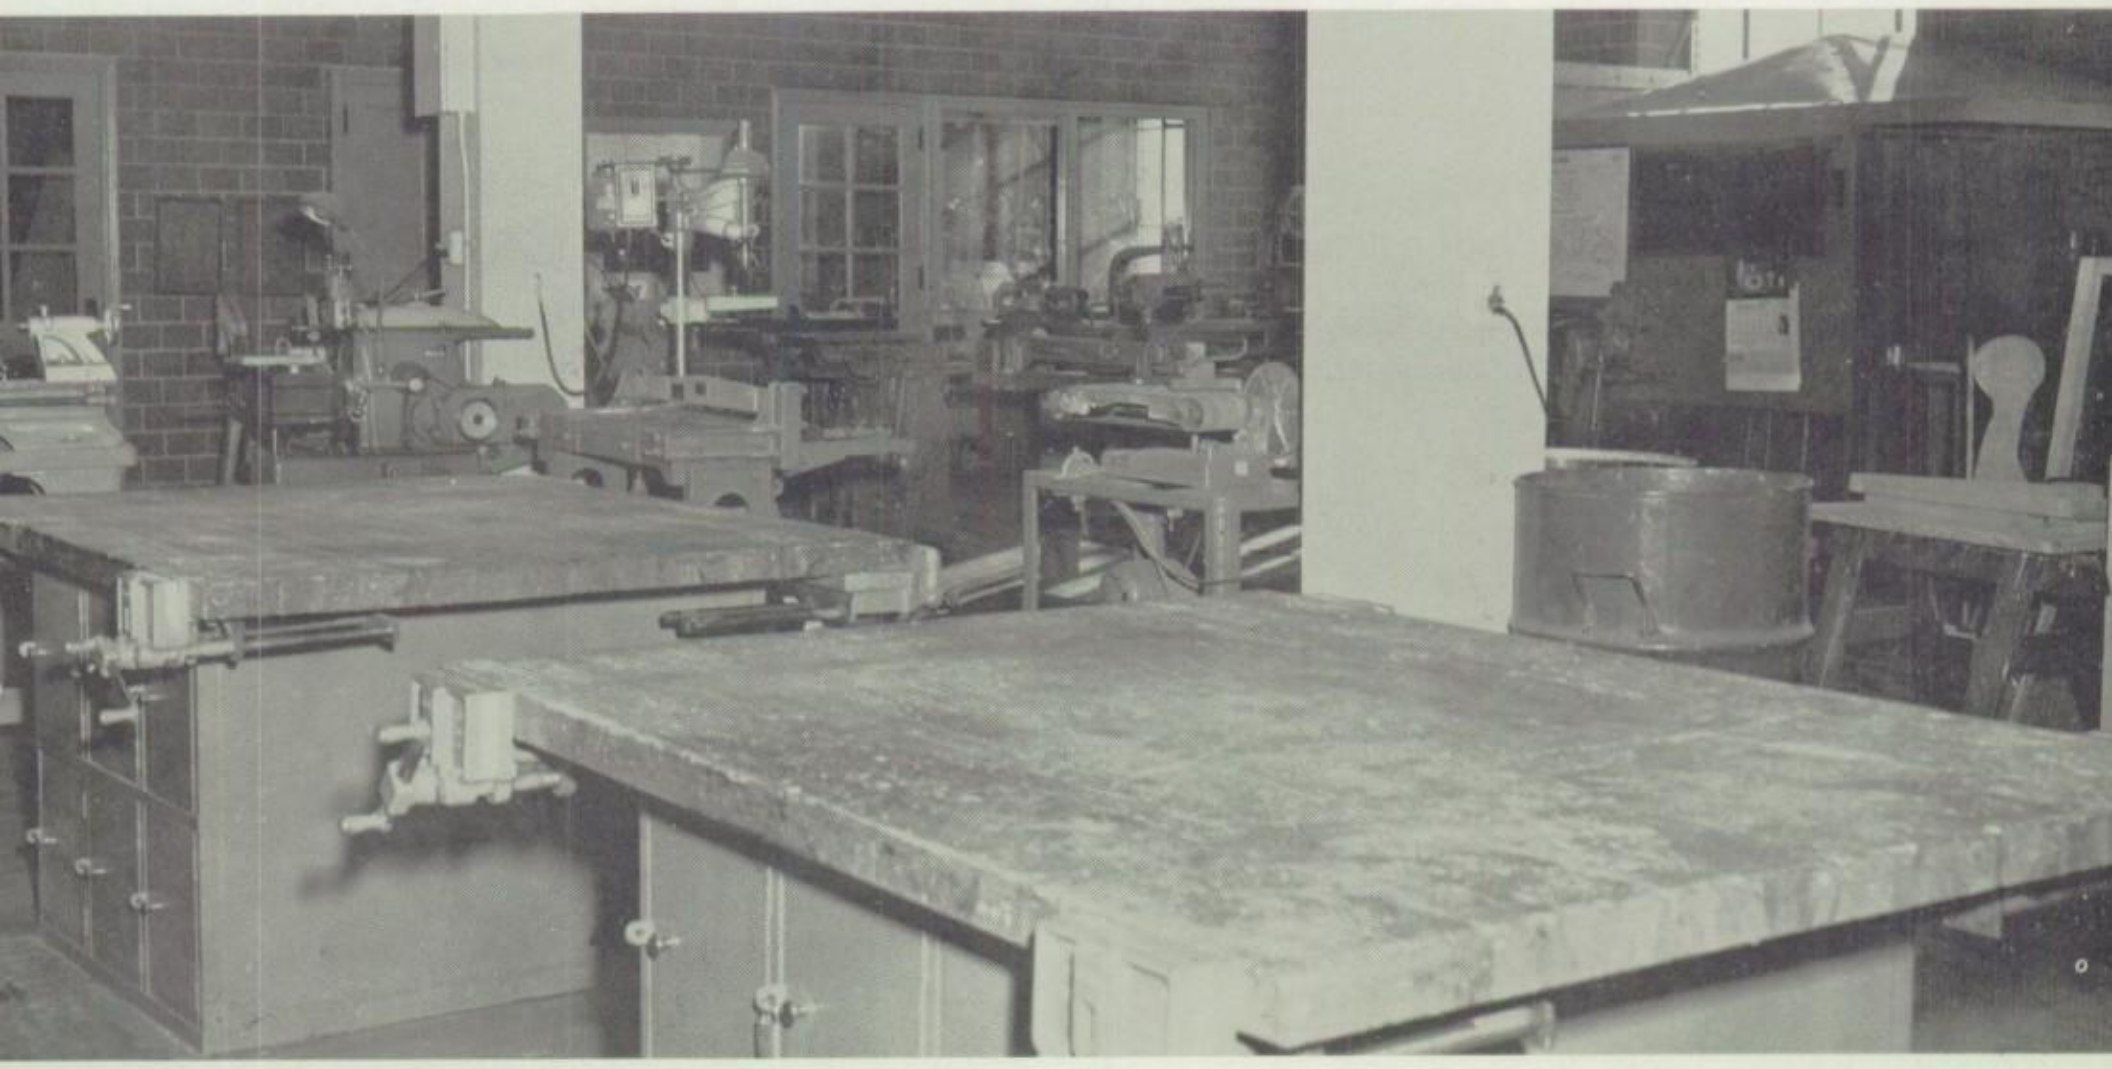
INDUSTRIAL ARTS

The Industrial Arts and Agriculture Departments, in the beginning, used the same shop room. Now they both have their own shops. Many new machines have been added, during the years, to the Industrial Arts Department.

HOME ECONOMICS DEPARTMENT

The Home Economics Department has always been modern in its furnishings since the beginning of our school. As the years have passed, new designs in electrical appliances have been substituted for the old. To give training for every aspect of home making is the purpose of this department.



AGRICULTURE DEPARTMENT

The Agriculture Department is equipped to give adequate training, by actual practice, in every phase of farm life. A chance to get further training along this line is offered by this department to the farmers of the community.

Growth of Our High School

Superintendent
C. G. LAPPIN
Oberlin College, B.A.
Ohio State University, M.A.

In the month of May, 1926, the school bells chimed out for ıe last time in the buildings at Shadyside, Hume, Elmview, harp, Kemp, Mowery, Helsel, and Myers Schools. Only the four-oom school at McBeth opened the next fall. The others gathered ı September, 1926, in the newly erected Centralized School uilding.

The high school pupils, one hundred eleven in number, who ad been sent out as tuition pupils to Lima South, Lima Central, Vapakoneta, and Cridersville were brought into this new building be welded into the first Shawnee High School.

Seven teachers and the Superintendent (who taught part time) orked in the new high school this first year. The school operated ıen as a 4-year high, with grades, nine, ten, eleven and twelve.

May of 1927 saw 14 seniors receive the first diplomas issued by hawnee High School. These honored ones were Cloyd Baker, uth Bowsher, Daisy Carney, Eugene Cooper, Geraldine Freyer, ames Giffin, Jessie Harshman, Kathryn Loyer, Laura Mayer, arry Miller, William Parent, Damon Reeves, Roena Spyker and on Wikel.

The fall of 1928 saw the 7th and 8th grades added to the high hool. This new six-year organization required 12 teachers, one the new ones was O. C. Knecht—our present Principal, who ught history and coached football his first year.

The high school operated the first year without a principal. In the fall of 1927 Richard Pugh, science teacher, was designated as principal. He continued in that capacity until his untimely death in March of 1939. His keen spirit, his charming personality and hard work left an indelible mark on the early years of Shawnee.

Miss Dorothy Briner succeeded Mr. Pugh as principal and continued in that capacity with singular success until she went big-game hunting in the West in the summer of 1943. Like the Mounties, she got her man—and now lives in Seattle as Mrs. Dorothy Briner Plummer. Her successor in 1943 was none other than O. C. Knecht who has very successfully carried the torch up to the present time.

From the standpoint of physical plant, in 1939 an eleven-classroom addition was added and in 1952 a new elementary building. September, 1956, should see the senior high in its new quarters. From the original 14 graduates of 1926, this year will be sending nearly a hundred to face the future. From the 111 students of 1926 high school, we have now grown to 700.

(Insert: Mr. Lappin as he appeared in 1927 Qulina.)

Principal

The expanding high school population over the past three decades not only has brought about extensive changes in the physical plant, but also has been the means of expanding and enriching the curriculum of our school.

From a beginning faculty of seven teachers and an offering of twenty-five different subjects we have now developed to the point where we are able to include sixty-one different courses with a high school faculty of thirty. This lends sufficient variety to our course of study so that every student should be able to pursue his vocational interest as well as to develop his native talent.

Nowhere is the growth of Shawnee School more manifest than in its extra-class activities, with the many and diversified student organizations that now exist. From a meager handful of students enrolled in five organizations in 1926, thirty years of growth now shows a combined enrollment of 1154 students in twenty-five groups. These figures do not include the many boys engaged in the full sports program offered to Shawnee students. While the specific goals of each club may vary, the overall aims still remain the same: to provide an opportunity for every student to take part in properly supervised extra-class activities each according to his interests, his needs and his ability to benefit.

As our growth continues, we are ever mindful of the responsibility of adjusting and converting our total resources and educational programs to the needs of our times.

Board of Education

President, Carl Settlemire; Vice President, Horace Shock; Clerk, Paul Lytle; W. E. Williams, Fred Bunke, resigned; Dr. W. B. Light (not in picture) replaced Mr. Bunke.

These five men have undertaken and successfully brought to a conclusion a huge job this year. They not only have kept this large plant running smoothly, but also have kept the work on the new high school building moving forward. That the new building was completed ahead of schedule indicates their success.

We have reason to be proud of this board of education, who have worked so tirelessly to make Shawnee a school that never stands still.

High School Faculty

From the past to the present our faculty has done its best to train Shawnee students to become good citizens. With all of its faculty holding a B.A. or B.S. degree and over half of them holding an M.S. degree, Shawnee can well be proud of its corps of instructors.

Faculty in conference

Elementary

Shawnee Elementary School has developed from one class per grade to five classes per grade. This has been due in large part to the blending of urban and rural into a suburban district.

Methods of learning have changed. The spreading of new knowledge has included not only schools, churches and press but radio, television, public forums and discussions.

Our pupils are not satisfied with assignments from one book, but search for information from many sources. Learning is now an active process of experiencing.

Shawnee, surpassed by no other school, has accepted the better ways of learning, has demanded high standards of education and training for teachers, and has provided adequate facilities for a diversified education.

The eighty-three seniors marching to the tune of "Pomp and Circumstance" ended another phase of Shawnee's history. This is the last class to be graduated from the present high school building. The class of 1956 has ranked high scholastically and has been active in sports, music, publications, clubs, dramatics, and other activities of the school.

In the first three years, the class worked hard to produce a gay, happy Prom. Receiving class rings was an eagerly awaited event which went off without a hitch. In the junior year they presented *Hobgoblin House,* which was financially the most successful play this school has ever had. Their senior class play, *Girl Crazy,* was also a success and was enjoyed by all who saw it.

Long will the many memories of school life stay with these seniors as they leave Shawnee and enter a new life. The records they have made will always be a part of Shawnee.

These junior class officers, as well as all the juniors, are preparing to climb the last flight in their high school education.

The juniors, as a class, are well equipped to make this climb. They have experiences of electing class and organization officers, participating in sports and music, producing the class play, and participation in many extracurricular activities.

"Lady, Be Good," one of the best plays produced by juniors, was a great success.

They have worked hard with the idea of presenting an enjoyable prom, one of the steps in the flight.

The carnival queen representative was Darlene Williams.

The sophomore class is concerned mainly with two goals:

1. They, like all sophomore classes, are beginning to become involved with ideas of making money for the Prom.

2. They are busy looking for and finding ways to adjust themselves to a new school, to lose themselves in many activities, and, of course, to confront the ever present problem of learning.

We're confident they will manage quite competently, although it all remains to be seen.

The 1955 Carnival Queen was our Georgia Hittepole.

EDITORIAL ADVISER
Mrs. Goldie Waltz

In putting out the second Quilna by the offset method, the staff has endeavored to produce not only a better but also a much longer annual than last year's book. In spite of handicaps, the greatest of which was the illness of their adviser, the staff, by combining fun and work, by shouldering very heavy responsibilities, has done a very creditable job.

The huge job of the business part of the Quilna was undertaken by an ambitious staff who seemingly had very little difficulty with it. They worked quietly and yet very effectively to take pictures, sell ads, set them up, sell the book, and finally to distribute it. To this staff we owe the actual existence of the Quilna.

Throughout the year the Y-Teens have had many interesting speakers in relation to their theme "Where in the world do you want to go." The special event of the year was the big formal dance at Christmas, "Winter Wonderland."

Many other social activities were enjoyed by the Y-Teens, and they brought the year to a successful end with the impressive installation of officers.

The Hi-Y has enjoyed a very eventful year. They spon-
red various activities including a March of Dimes Benefit
ance in January. They helped the band buy new uniforms
donating the proceeds from their cake raffles at the
sketball games. The boys transported all those who wanted
come to the poles to vote and had no means of trans-
rtation. They also had a basketball team which main-
ined a good record. The year was highlighted by a formal
nce for all Hi-Y Clubs held at the Naval Reserve.

Spanish Club

Muchas Gracias is the reply you would receive when doing something nice for a member of the Spanish Club. The club consists of all those in school who are taking or have ever taken Spanish.

Last fall they began their social functions with a hayride. Next came the initiation and then the Christmas party. They also enjoyed numerous other parties during the year.

One thing that proved to be a lot of fun for the members was writing to their Latin American neighbors and finding out many interesting facts about them, thus making Spanish study more realistic.

SENIOR CLASS PLAY

The comedy, "Girl Crazy," was presented by the senior class and directed by Charles Weaver on January 4, 1956.

Sam Bitler was excellent in portraying Danny Churchill, a playboy from New York, and opposite him Sharon Downhower played Molly, the postmistress. LaDelle Gerlach entertained the audience with her portrayal of Rose, the Park Avenue Calamity Jane. Walter DeBill hilariously enacted the comedy part of Louie, a Brooklyn taxi driver. Tom Gaidry did a splendid job with his part of Jake, the caretaker.

Harold Rahrig played the part of Lank, the killer. His assistant, a Mexican bandit, was portrayed by Courtney Marshall. Sam Mason was enacted by David Hilty. Charles McCain portrayed the part of Lt. Caddigan. The Indian, Eaglerock, played by Ronald Ward was well accepted. Others in the supporting cast were cowboys, Raymond Shaw and Kurt Zimmerman; dude ranch vacationers, Ploma Baber, Garnett Kerr, Gael Bourquin, Carole Rumbaugh, Kay Rex and Doris Shaw.

LADY, BE GOOD, directed by Mr. Crites, was an all around success.

Jane Wiswasser portrayed a Park Avenue prima donna. Bob Delong was a son-in-law butler while Tom Bitler characterized the multi-millionaire father.

The theme of the play centered around the "taming of the shrewish lady," Jane Wiswasser, by the so-called butler, Bob Delong.

Others in the cast were Aaron Osmon, Nanci Osman, Marilyn Batch, Janet Adams, Dan Bradford, Jennie Roller, Diana Houck, and Danny Klingler.

Choir

The A Cappella Choir is a select group of boys and girls who give of their spare time to help make some of the school programs more enjoyable.

Under the direction of Mr. Harold Beckett they gave a Christmas program for the entire student body. In April they presented a very enjoyable variety show. They also sang for some service clubs in Lima. Besides these engagements, they worked diligently on the music required for the district and state contests.

Tom Morris was elected president this year. Assisting him were Tom Campnell, Vice President; Sandra Thomas, Secretary; Carole Rumbaugh, Treasurer.

The Band

MR. MILLS, *Director*

The greater part of the year has been spent by this organization in helping the Band Boosters raise money to buy new uniforms. The Band Boosters is a newly organized group who are interested in seeing the band get a good start in the new building. They consist of parents of the band members.

Many different groups of the band represented the school at various contests in the area this season. Unless weather stopped them, the marching band marched for all football games. The concert band practiced long and also made a good showing. All of these groups were under the skilled direction of Mr. Mills.

MR. WEAVER

This year two teachers filled the position of guidance director. Mr. Burns substituted for Mr. Weaver while he was working on his doctor's degree at Ohio State University.

The purpose of the Guidance Department is to help the students in their problems, to give assistance in showing the students what type of interests they have, and it also selects many guidance films and programs for the benefit of the entire student body.

Football reigned, as a strong Indian squad, built around nine returning lettermen, won six games and lost three. After winning their first three games, the Braves lost to league champion Van Wert. Two weeks later St. Mary's invaded the school and left with a victory; so did Wapak a week after that. The high point of the season was the last game, in which the Tribe ran over ancient rival, powerful Columbus Grove. The Indians' record gained them a fourth place in the Western Buckeye League.

October 27 was Dads' Night, an annual event in Shawnee football. One game during the season is taken to honor the football players' dads. The Wapakoneta-Blume game was selected this year. The Tribe went down to defeat by a hepped-up Blume team.

Shawnee's Stand-Out Performers

TOM CAMPNELL

Tom, a third year letterman and hard-hitting linesman, was named Middle Guard on the All-League Team.

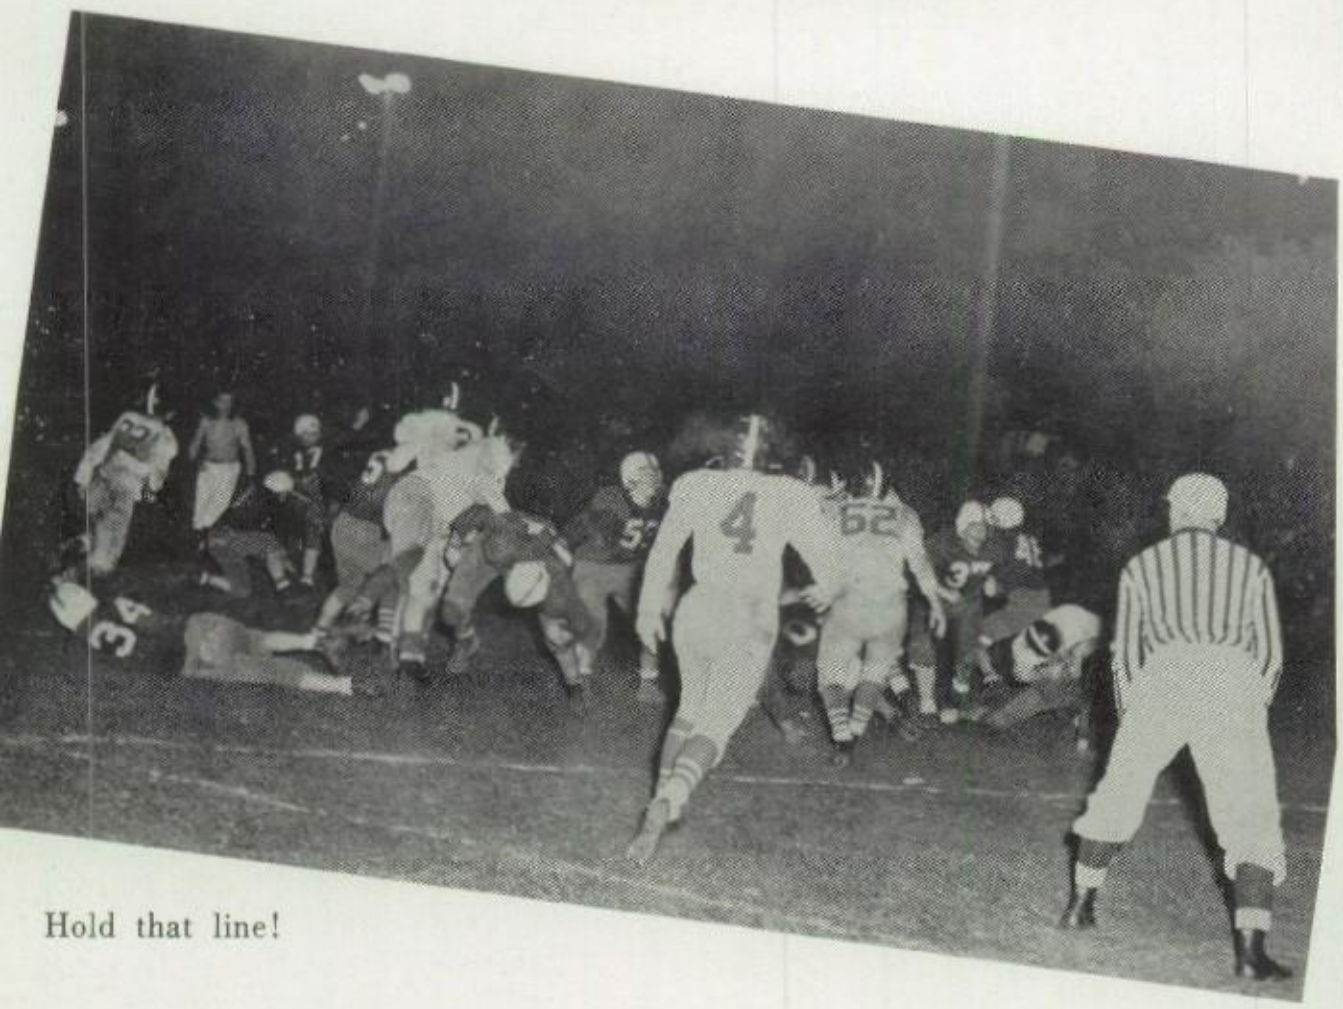
JACK SPENCER

Jack was Shawnee's highest scorer and played very fine defensively too. He was selected as Defensive Halfback by the coaches.

Each year the coaches of all the Western Buckeye League teams hold a meeting to select the players they consider best in the W.B.L. There are twenty-two players, eleven on the offensive team and eleven on the defensive team. This year Shawnee placed four seniors—Sam Bitler, Tom Campnell, Gene Mauk, and Jack Spencer—on the squad. Two fellows received honorable mention, Pete Houtzer—Offensive Halfback and Kurt Zimmerman—Offensive Tackle and Defensive Tackle. All of these boys are to be congratulated on their fine play during the season.

SAM BITLER

This fellow was our hard-charging fullback. He also played tight defensive ball. Sam was named Defensive Linebacker.



Hold that line!

GENE MAUK

This is Gene's second year to be chosen on the All-League Team. He was chosen Offensive Halfback.

Varsity Squad

First row: Lawhead, Caldwell, Frymyer, Ward, Coach Ulrick. Second row: Tom Gaidry, Jim Gaidry, Cleaves, Marshall, Gould, Myers, Uncapher.

The team in action

Tom Myers, top runner for the Indians, led the Shawnee Harriers to a 4-3 season. With three lettermen—Myers, Lawhead, and Uncapher—returning from last year, Coach Ulrick built his best squad since Cross-Country's inception at Shawnee three years ago. The Harriers finished a somewhat dismal eighth out of eleven at the Springfield District, but otherwise had a sparkling season.

VARSITY SQUAD

First row: Mauk, Zimmerman, Marshall, Gould, Converse, Bowersock, Houtzer. Second row: Coach Blauvelt, Wilson, Manager; Sarakaitis, Bertram, Woods, VanMeter, Riffle, Manager; Coach Shackelford.

In his first year at Shawnee, Coach Blauvelt turned out a team that won five games and lost twelve. The boys had a lot of pep and were always in there trying. In two games the play was especially noteworthy; these were the Wapak-Blume game in which our team soundly trounced the Redskins, and the St. Mary's game in which we held the Roughriders, the seventh ranked team in the state, to a margin of six points.

In the sectional tournament, the boys, led by the fine playing of Mike Gould, showed what a well coached team can do under stress by almost defeating highly regarded Findlay.

VARSITY TRACK TEAM—First row: J. Spencer, J. Hile, C. Marshall, L. Brown, L. Brooks, J. Stedke, W. Bowsher. Second row: Assistant Coach Blauvelt, J. Gaidry, T. Gaidry, R. Ward, J. Uncapher, W. Yant, J. Woods, P. Houtzer, Coach Shackelford. Third row: Assistant Coach Kindy, Manager D. Goodenow, T. Myers, G. Mauk, F. Bowersock, M. Bowsher, K. Zimmerman, W. Cleaves, T. Campnell.

After losing their opening meet to Troy, Coach Shackelford's cindermen swept to victory in the rest of their outings. This included the W.B.L. meet in which our team dethroned defending champion, Kenton. Five new school records were set during the year by three tracksters—Tom Myers, Kurt Zimmerman, and Jim Hile.

Second row: R. Bell, D. Van Meter, C. Painter, S. Clark, D. Cassie, D. Hamman, J. Bertram, J. Brackney, B. Biddinger, G. Cramer, Coach Hughes.

With only two lettermen returning from last year's W.B.L. champion squad, Coach Paul Hughes built a winning team that ended the season with a 5-4 record. The boys put in many long hours to achieve this. With only one senior letterman, we are looking forward to next year.
